FIFTEEN CENTS

## Zimmermans Are V.I.P. 'Couple of Year'

Elmer and Gert Zimmerman have been chosen as Antioch's first V.I.P. "Couple of the Year."

"A more deserving couple would be hard to find. In this day and age of people not wanting to get involved, it is refreshing to find a couple who have spent their lives being involved," said Betty Hope, publicity chairman for the V.I.P. dinner-dance at St. Peter's on Saturday, Mar. 22.

Elmer has been active in the building of St. Peter's parish, first as a summer resident from

1925 to 1959, and as a permanent resident since 1959.

He has campaigned for building funds, worked on parish fund-raising endeavors, and always finds time when there is electrical work to be done in any of the parish buildings.

His pet project is Monday Night Bingo, and he is there every week helping to run the games.

"I want to see that St. Peter's School can continue to offer the fine education it gives to the children of Antioch, and I will do everything I can to help," he said.

Gert, too, has been very active in Antioch. In her 15 years as a permanent resident, she has taught in local schools for 13 years.

She taught third and fourth grades at St. Peter's for 10

## Winter Festival Lures 4,000

### Channel Lake Is 'City on Ice' For 2 Days

An estimated 4,000 persons turned out Saturday and Sunday for Antioch's annual Ice Fishing Derby and Winter Festival.

They turned the south end of Channel Lake into a small-sized town, decorated by fishing shanties and alive with activity.

The event was sponsored for the 15th year by the 885 Civic Club and the Northern Illinois Conservation Club.

The 885 Club is an organization devoted to raising money for various charities. The

conservation club dedicates itself to the promotion of hunting and fishing and also is concerned with environmental and ecological conditions.

THOSE TURNING out last weekend were dedicated to having fun and winning prizes.

The top prize of the festival, a new Mercury snowmobile, was won by Clarence Bloom of Chicago.

Don Lessard of Antioch won a Las Vegas trip for two, and

John A. Ross of Antioch took home a color TV set.

Helen Sterbenz won a dual snowmobile trailer and Chip Eberman's prize was a bicycle. Both are from Antioch.

Other prizes included "his and hers" snowmobile suits, won by a Chicago man, and a Charmglow grill, won by L. Symmond of Salem, Wis.

**LARGEST FISH** taken through the ice was a 30-inch Northern pike caught by Steve Hoska of McHenry.

Other winning catches were a 17½ inch black bass caught by Bob Freund of McHenry, a 12½ inch striper by Jim Bronson of Chicago Ridge, a 9½ inch crappie by Byron Mussard, a nearly 10-inch bullhead caught by Bill Larsen, and an 8½ inch perch by Chuck Mathews.

Ron Gillespie of Round Lake hooked an 8½ inch bluegill and Bill Leity of Antioch caught a sunfish that was slightly longer than 6 inches.

Ed Johnson won the minnow-guessing contest.

**WINNING PRIZES** as the oldest fishers on the ice were H. Hansen, 86, and Rena Elliot, 72.

The "best ice fishing shanty" belonged to Jack Armstrong of Antioch. It was complete with gas heat, light and refrigeration, two bunks, a stereo set, table and chairs, radio and battery-powered telephone and paneling.

Sorry, no attached 2-car garage.

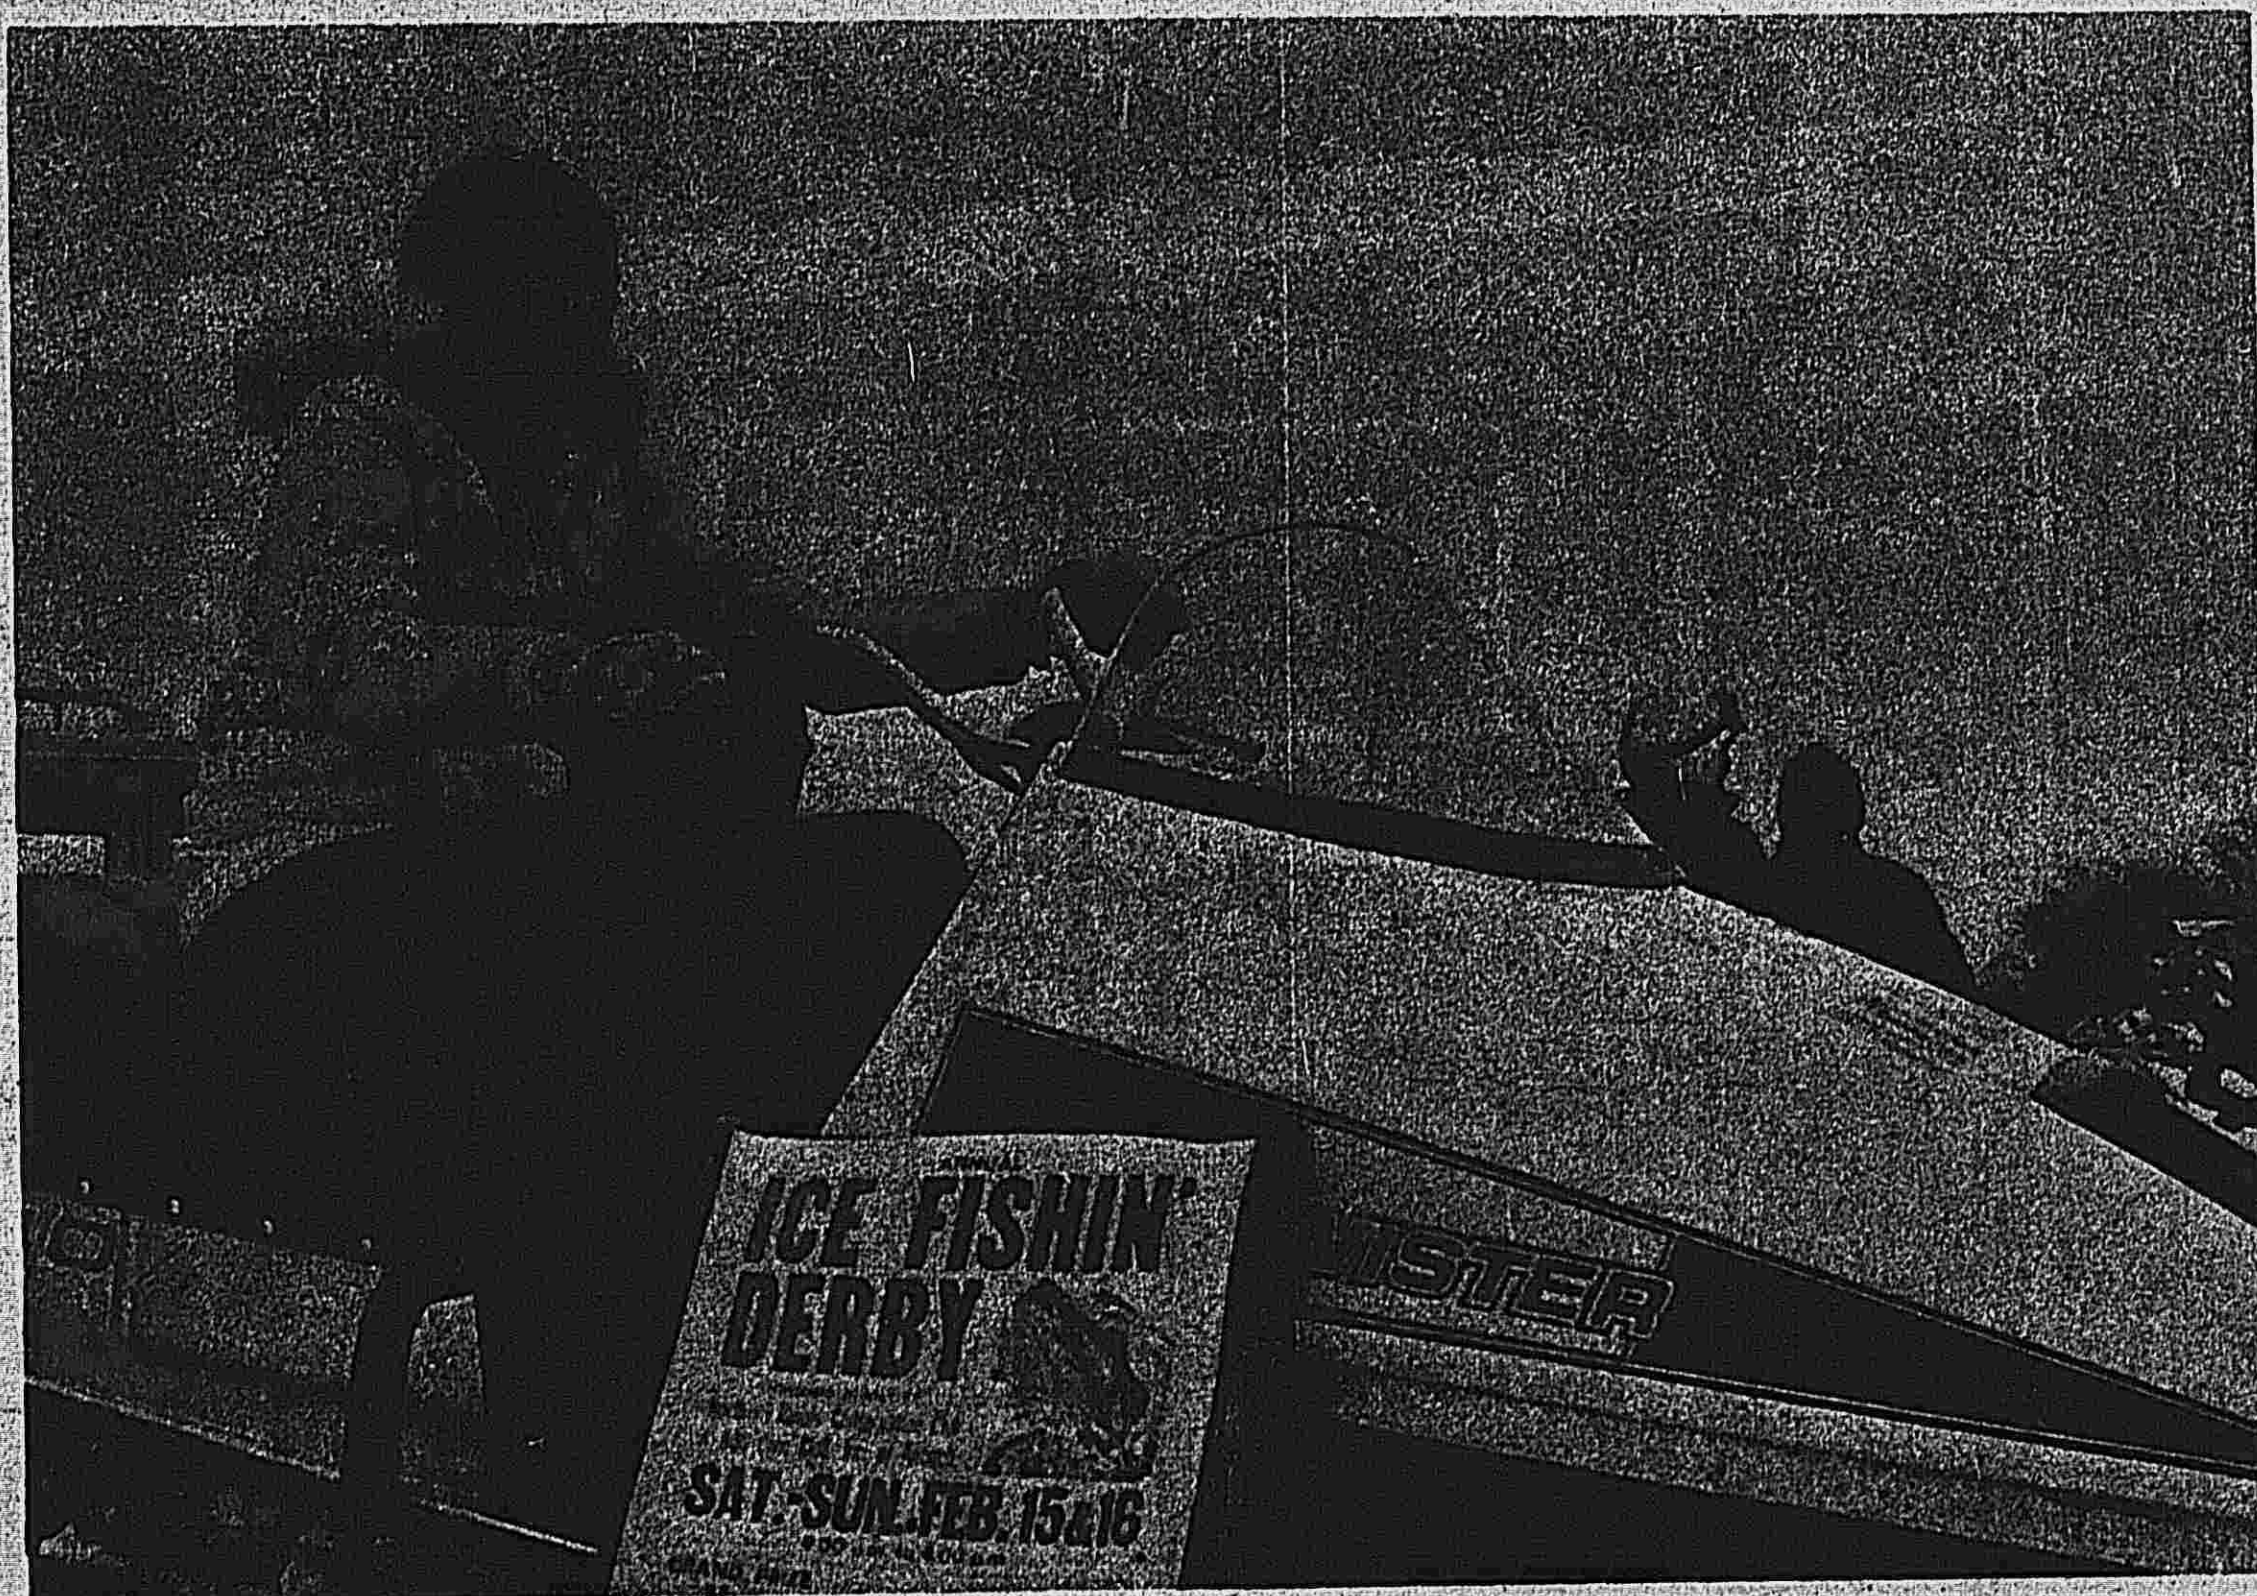

## Dollar Days Coming Up!

Antioch businessmen are preparing for the Chamber of Commerce's annual "Dollar Days" celebration.

The dates are Thursday through Saturday of next week, Feb. 27, 28 and Mar. 1.

The annual town-wide winter clearance sale is expected to attract thousands of shoppers to downtown Antioch.

The Chamber reported this week that it has three new members: Philip Adesko of Adesko Electric; James Hamlin of James Hamlin and Co., Inc., and Jack Martusciello of Roma Lites & Decor.

THE TOP PRIZE at the weekend Winter Festival on Channel Lake was this new snowmobile. The winner, Clarence Bloom of Chicago, wasn't available when the picture was

taken so the photographer substituted pretty Jeanette Sundberg. Very resourceful of him. (More pictures from the Festival and Ice Fishing Derby appear inside.)

## Windows Hit At Pay-Less

Although the recent rash of window breakings by vandals using pellet guns seems to have subsided, Antioch had one such incident last week. Employees at the Pay-Less supermarket on Lake St. told police they heard a noise

against a window. In checking, they discovered there were holes in two of the store's display windows, which

measure about 8 feet by 12 feet. It was estimated that replacement will cost between \$300 and \$400.

## Gas Station, Store Is Burglarized

Antioch police are investigating a burglary at Bernie's gas station and delicatessen on North Ave. The break-in was discovered early in the morning on Tuesday of last week. The thief entered through a

window, then ransacked desk drawers and emptied the cash register. The store area of the building also was ransacked and an undetermined amount of state lottery money was taken. Police said a radio was stolen

and apparently the burglar also made off with candy, cigarettes, cheese, bacon and other food items. Once inside, the burglar turned on the gas pumps and apparently filled his car with 20 gallons of gasoline.

years. After "retiring," she was a substitute teacher for three years in the Antioch grade schools, working almost full time. When asked why she returned to teaching as a substitute, Gert said:

"I found that just being a housewife did not fill by time, and I missed the children." She also has been active in parish activities.

When asked how they felt about the V.I.P. honor, the Zimmermans said:

"Surely there is someone more deserving than we are. We've never done anything that important."

Perhaps the individual things have not seemed important, but collectively they are a total commitment to church and community, V.I.P. officials said.

Elmer and Gert are each 71 years of age. They both feel that "getting involved" is what has kept them young in heart and spirit.

## BARRY GOLDWATER

1974 Election Means  
More Federal Spending

By SEN. BARRY GOLDWATER

Often when I am traveling abroad, foreign diplomats of the Free World make it plain that they regard the United States as sort of the "new boy on the block."

I don't mean they are disrespectful. But they get across the point that they feel we could use more experience in the highly specialized field of international diplomacy.

British diplomats, in particular, make no effort to hide their belief that the Americans have been extremely naive - and at times downright ridiculous - in the age-old art of diplomacy.

THEIR CONTENTION is that America is sold on idealism and morality in world affairs that it fails to understand why other nations it deals with don't rush to follow the same worthy course.

A favorite comment goes something like this, "But this is the real world and your country and its representatives don't quite understand how the game is played."

Now I'm not recommending that the United States adopt a tough, double-crossing, im-

moral brand of foreign policy relations.

But I do think it is time we learned a few of the traits and tricks possessed by our adversaries - and, yes, some of our allies as well - in our approach to the whole subject of international relations.

IT IS TIME for us to learn how foreign nations make use of our idealism and generosity in the ever-growing contest for the balance of power in today's world.

We must learn that our natural abundance is not so

great that we can continue forever with programs of grants-in-aid to every nation not as fortunate as the United States.

A question has been on my mind for many years but has taken on new urgency in the light of the developing shortages in almost every essential material we possess. When will we learn?

THE QUESTION is not just a slogan. To me it is desperately important, because I believe our continued position as a major power and a Free World leader depends on the answer.

When we were hit by the energy crisis and it shot fuel prices sky-high, as well as burdening the nation with runaway inflation, I confess I thought we were - at long last - beginning to learn.

But the off-year election of 1974 has changed all that. Like it or not, the results of that congressional balloting were a victory for more government spending.

Another way of putting it is that American voters scored a resounding victory for inflation. We needed that like a hole in the head.

## The Town Crier

A couple of dastardly thieves have been at work in the area.

Imagine the dismay of the 21-year-old Lake Villa man who left his snowmobile parked outside while he went into Smiley's Tavern to warm up.

When he came out his \$1,500 machine was missing. Car thieves we've heard of ... but, now, snowmobile thieves?

And also last weekend there was the Antioch man who arrived home on Sunday evening and found that a burglar had removed a window pane to unlock his back door.

This villain did not have a wholesome mind. Missing from the home, according to the police report, were 20 Playboy magazines and two "stag films."

A NURSE WHO WORKS in the emergency ward of an area hospital tells us that a frequent arrival these days is the man who has tried to fiddle with his snow blower, with his hands, while the machine is running.

In the summer, our nurse friend says, her emergency ward sees a lot of the same kind of guys who toy with their power lawn mowers while they're running.

We don't have a snow blower, so we've been shoveling a little lately. It's heavy stuff and this bothers us, because they say men approaching middle age (or older) shouldn't risk heart attacks by shoveling heavy snow.

"Hire a kid," medical experts advise.

But nowadays you don't find many kids who want to work that hard for their money.

WE ALL GET UPSET when our cars don't start. A very refined young Antioch woman admits she lost her cool, just a trifle, when it happened to her Monday morning.

But she didn't know that her 2½ year old daughter was going to report on her.

When her husband came home to help, the little girl announced:

"Daddy, when the car doesn't start, Mommy says, 'Damn it! Damn it! Damn it!'"

Medicare Isn't Enough,  
Woman's Club Says

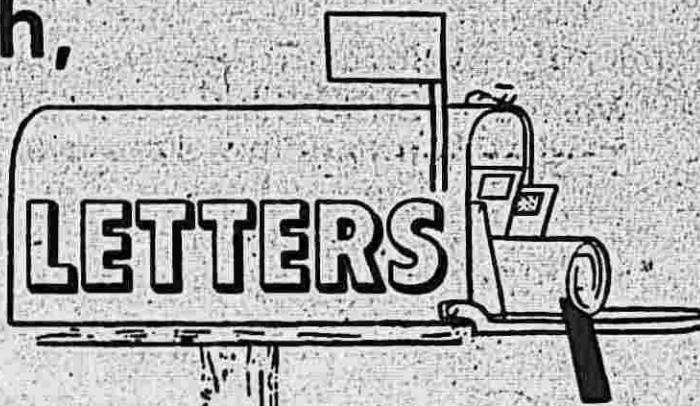

Dear Sir:

We are attempting to bring to the attention of our Congress the desperate plight of many of our Senior Citizens who find that the present MEDICARE benefits as defined by Federal Law are insufficient to meet their needs. We feel that only by a flood of mail from our interested citizens (those who are Senior Citizens, those who will soon be Senior Citizens, or younger citizens who are interested in their plight) will we get action in the Congress on this vitally needed legislation.

As you no doubt know, the

cost of doctors, hospital and laboratory tests have increased greatly. The cost of MEDICARE to the Senior Citizen has increased, while the "amount allowed" has stayed essentially the same for the past number of years.

Therefore, we would greatly appreciate it if you would take time to read and present this letter to your readers, to point out that their help is needed in

correcting the inequalities in the present law. No doubt, some of your readers have had the experience of having their finances severely strained by the cost of medical treatment not covered by, or disallowed by MEDICARE for an illness.

If every reader would send a letter to their Senators and the Representative from their district (individual letters are more forceful than one letter with many signatures), we are certain that the needed relief would be given. We need the help of everyone who will take time to send these letters.

Our Senators are The Honorable Charles H. Percy and The Honorable Adlai E. Stevenson, III, United States Senate, Washington, D.C. 20510. Our Representative from the 13th District is The Honorable Robert McClory, House of Representatives, Washington, D.C. 20510.

This need was brought to the attention of The Antioch Woman's Club by the Open Door Woman's Club, 7th District I.F.W.C., Community Improvement Committee, Mrs. F.G. Heidemann, Chairman. It has been endorsed by our club and it was voted to send a letter to our local news media so others might help by sending letters to our Congressmen to defray the unnecessary expense of our Senior Citizens.

Sincerely yours,

The Antioch Woman's Club

County Curing  
Tax Inequities

The Lake County Board of Review has announced its intention to equalize the assessments in the 18 townships in Lake County for the 1974 tax year.

"Our action," said John Jerry Murphy, chairman of the Board of Review, "is directed towards preventing the inequities suffered by some townships for the 1973 tax year. In making our determination as to what level we were going to aim at, the board decided to try to reach a level giving the county about the same overall assessed valuation that it had in 1973."

"to do this," said Murphy, "means that we are aiming at an assessed value ratio for each township of about 25 percent."

Following the board's plan, 8 townships would not be changed 3 townships would receive some

reduction and 7 would be raised. Those townships receiving some reductions would be Antioch, Newport and Vernon. Those receiving small increases would be Fremont, Grant, Avon, Libertyville, Wauconda and Lake Villa.

Ela will have land values raised and improvement values reduced (an overall reduction for Ela Township).

"This action," said Murphy, "will result in the assessed values for all 18 townships being around 25 percent."

Murphy said the actual adjustments contemplated for those townships being raised would be published in legal notice form announcing the equalization hearings.

The first equalization hearing is for Fremont Township on Friday.

The presentations were created by Phyllis McMillen of Antioch, a history lover from childhood, who made all the costumes by following portraits and descriptive copy in history books.

Mrs. McMillen, now 70, began her hobby-career in authentic costume-making 10 years ago when the Literary Group of Antioch Woman's Club needed a program and turned to her for an idea. She responded by making the costumes and writing the biographies of famous queens for the club program.

## Along the way with ANNIE MAE

Snow, snow, snow.....I guess we're finally getting our winter weather, too bad it doesn't get really cold to kill all the germs around.

Glad to hear Frank ReCupido is well on the way to recovery from double pneumonia that has him confined to Victory Hospital. He sounds much better and thanks everyone for all the cards and phone calls that have helped to cheer him up. Also well on the road to recovery - our good friend from Reeves, Edna Drom. She's at home now and doing nicely - phone calls or cards would still help to cheer her up as she still can't do much.

HOW ABOUT that Phyllis McMillan - we went to the Magic Pan in Hawthorne Shopping Center last week and were delighted to see our gal is still hard at work. Food is super

there too - try the desserts, lots of calories, but ummmm are they good.

Nice to see Antioch's most devoted basketball fan, Mr. Good looking so well and cheering his Sequoits on to victory. I've never been at a home game that he isn't there.

CONGRATULATIONS TO Antioch's first V.I.P. couple - Elmer and Gert Zimmerman. Quite an honor for them. Be sure to get your tickets early as it's always a fun dance and tickets go fast.

Our village clerk, Marilyn Sterbenz, is back after a terrific vacation to Las Vegas. Rather a quiet one this time, though, no motor cycle or plane to bring back. Glad to have you back and well again gal, too bad you couldn't bring back some of the sunshine.

Congrats to the Sequoit

wrestlers who won the district title this weekend. Six of the grapplers will compete in the sectional tournaments this weekend at Rockford Boylan High School. Good luck guys, hope you go on to the state tournaments.

Also, congrats to the basketball team upon scoring their

## Grass Lake Board Changes Meetings

The Grass Lake Dist. No. 36 board meeting was held on Tuesday, Feb. 11. Gerald Vander Meer and Dave Stark from Country Mutual Companies gave a presentation on our present insurance coverage versus an Independent Appraisal Service that would keep coverage current. Mr. John Flesherman, vice president of SEDOL Teacher's Association questioned the absence of the board's vote for their recognition, and requested that they mail their decision to their organization.

Eighth grade classes, in-acting a simulation of Congress in the classroom, presented a list of legislation they would like the Board to consider. The Policy Committee will consider them and report back.

Application forms were approved for signature to be submitted on the Capital Development Board. An estimate of costs needed for the improvements was \$435,000.00.

A request for contracting an LD itinerant for one day per

week for the FY 75 was approved. It was also moved that the school participate in the Title I Program with and/or without District No. 34.

June 4 was set aside for graduation pending the approval of an all school calendar. Permission was granted for the use of the gym for the iceless hockey and basketball programs on Friday evenings and on the second and fourth Thursdays of the month.

Approval was given to hire an aide for two hours a day to service the first and second grades.

Effective immediately, the school board will meet on the second and fourth Tuesdays of each month at 8 p.m.

The present Multi-Group class will be divided into two classes (fifth and sixth respectively). Mrs. Bicanic will be offered a contract to teach one of the classes and a new teacher will be hired for the other. Pam Friedrich will continue under her present cheerleading contract.

## Last Weekend For 'Prisoner'

Audiences and critics alike have been delighted by PM&L's current production of "The Prisoner of Second Avenue." Your last chances to see this Neil Simon comedy will be this Friday and Saturday, Feb. 21 and 22. Curtain time for both performances is 8:30 p.m. To make your reservations, call PM&L's new telephone number, 395-3055.

The play deals insightfully and sympathetically with the main problems of our times - inflation, unemployment, anxiety and depression. A veteran and expert team of players brings the "prisoner" and his problems to the PM&L stage. The production is directed by Tessa Smith, whom

playgoers will remember for her work in such successes as "The Solid Gold Cadillac" and "Lady Audley's Secret." Bob Anderson and Pam Hill, both seasoned veterans of PM&L and other stages, play Mel and Edna Edison, the likeable but hapless couple tormented by the ills of our times. The able cast is rounded out by Bob Lindblad, Lillian Allen, Shirley Jensen and Shirley Bunker, portraying Mel's brother and sisters. This colorful and delightfully human group of relatives attempt to help Mel and Edna in their hour of need. But in the end the two find the resolution of their difficulties within themselves.

Remember, the new reservations number is 395-3055.

# Sequoits Set Record: 26 Straight Wins

Yes, it's history now. Antioch's Sequoits have scored 26 consecutive wins in the North-west Suburban basketball conference.

But wait, folks, the fun may just be starting.

If they win again Friday and Saturday, the Sequoits will boost that record to 28 straight victories in the conference.

Friday they play at Grant, 8:15 p.m., and Saturday night at the same time they return to the home gymnasium for a contest with Grayslake's Rams.

ANTIOCH HAS wrapped up the conference championship with its 10-0 record in league play. Warren is second at 8-3, Cary Grove third at 7-3, followed by Stevenson 7-4, Grant 6-4, Grayslake 4-7, Round Lake 4-6, Woodstock 3-8, Wauconda 3-8 and doormat Lake Zurich with a 1-10 record.

As you probably know, Antioch set the record of 26 wins by routing Woodstock 64-48 Saturday night. But the Sequoits were upset the previous night by North Chicago, in a non-conference thriller, 65-63.

The Sequoits now have an 18-4 record for the season.

The North Chicago game saw the county's top four scorers on the same court — North Chicago's 6-6 Del Yarbrough and 6-4 Terry Barrett, and Antioch's 6-3 Mike Perrone and 6-4 Russ Albano.

On this particular night, Perrone poured in 26 points, Barrett 22, Yarbrough 20 and Albano 12. Scott Kimball co-starred for Antioch with 16 points.

NORTH CHICAGO took charge early, gaining a 14-6 lead, and the rest of the game was a struggle for the Sequoits as their rivals led all the way.

## Care To Try for 52?

"Perrone and Kimball were super for us," said Coach Roger Andrews, but Yarbrough and Barrett kept North Chicago in front.

Andrews said that Mike Witt "did a great job on the defensive boards."

With 1:43 left to play the Sequoits trailed by eight points and Perrone fouled out after scoring the first 12 points of the quarter. Albano took over, scoring the next six points to

close the gap to 62-60 with 40 seconds remaining.

North Chicago scored on a short jumper, then Antioch's George Ferguson swished two free throws with 18 seconds left and it was 64-62.

With 11 seconds left, North Chicago was fouled but missed the shot. A technical foul was called against North Chicago and Albano hit for Antioch, trimming the difference to

64-63. But North Chicago controlled the ensuing "jump ball" and was fouled with seven seconds left. One of the free throws was good and Antioch trailed 65-63. The Sequoits rebounded the second free throw, hurried down the floor, and had a last-second shot blocked.

North Chicago's coach called it "our best effort of the year on both ends of the court."

**HIGHLIGHTS INCLUDED** Antioch's ability to make 31 of 38 free throw attempts. Kimball made 12 out of 12 and Perrone 8 of 10.

Perrone was deadly Saturday night, too, as Antioch ran away from Woodstock. He made 10 of 16 field goal attempts and had 23 points by the time Coach Andrews gave him the rest of the night off early in the fourth quarter.

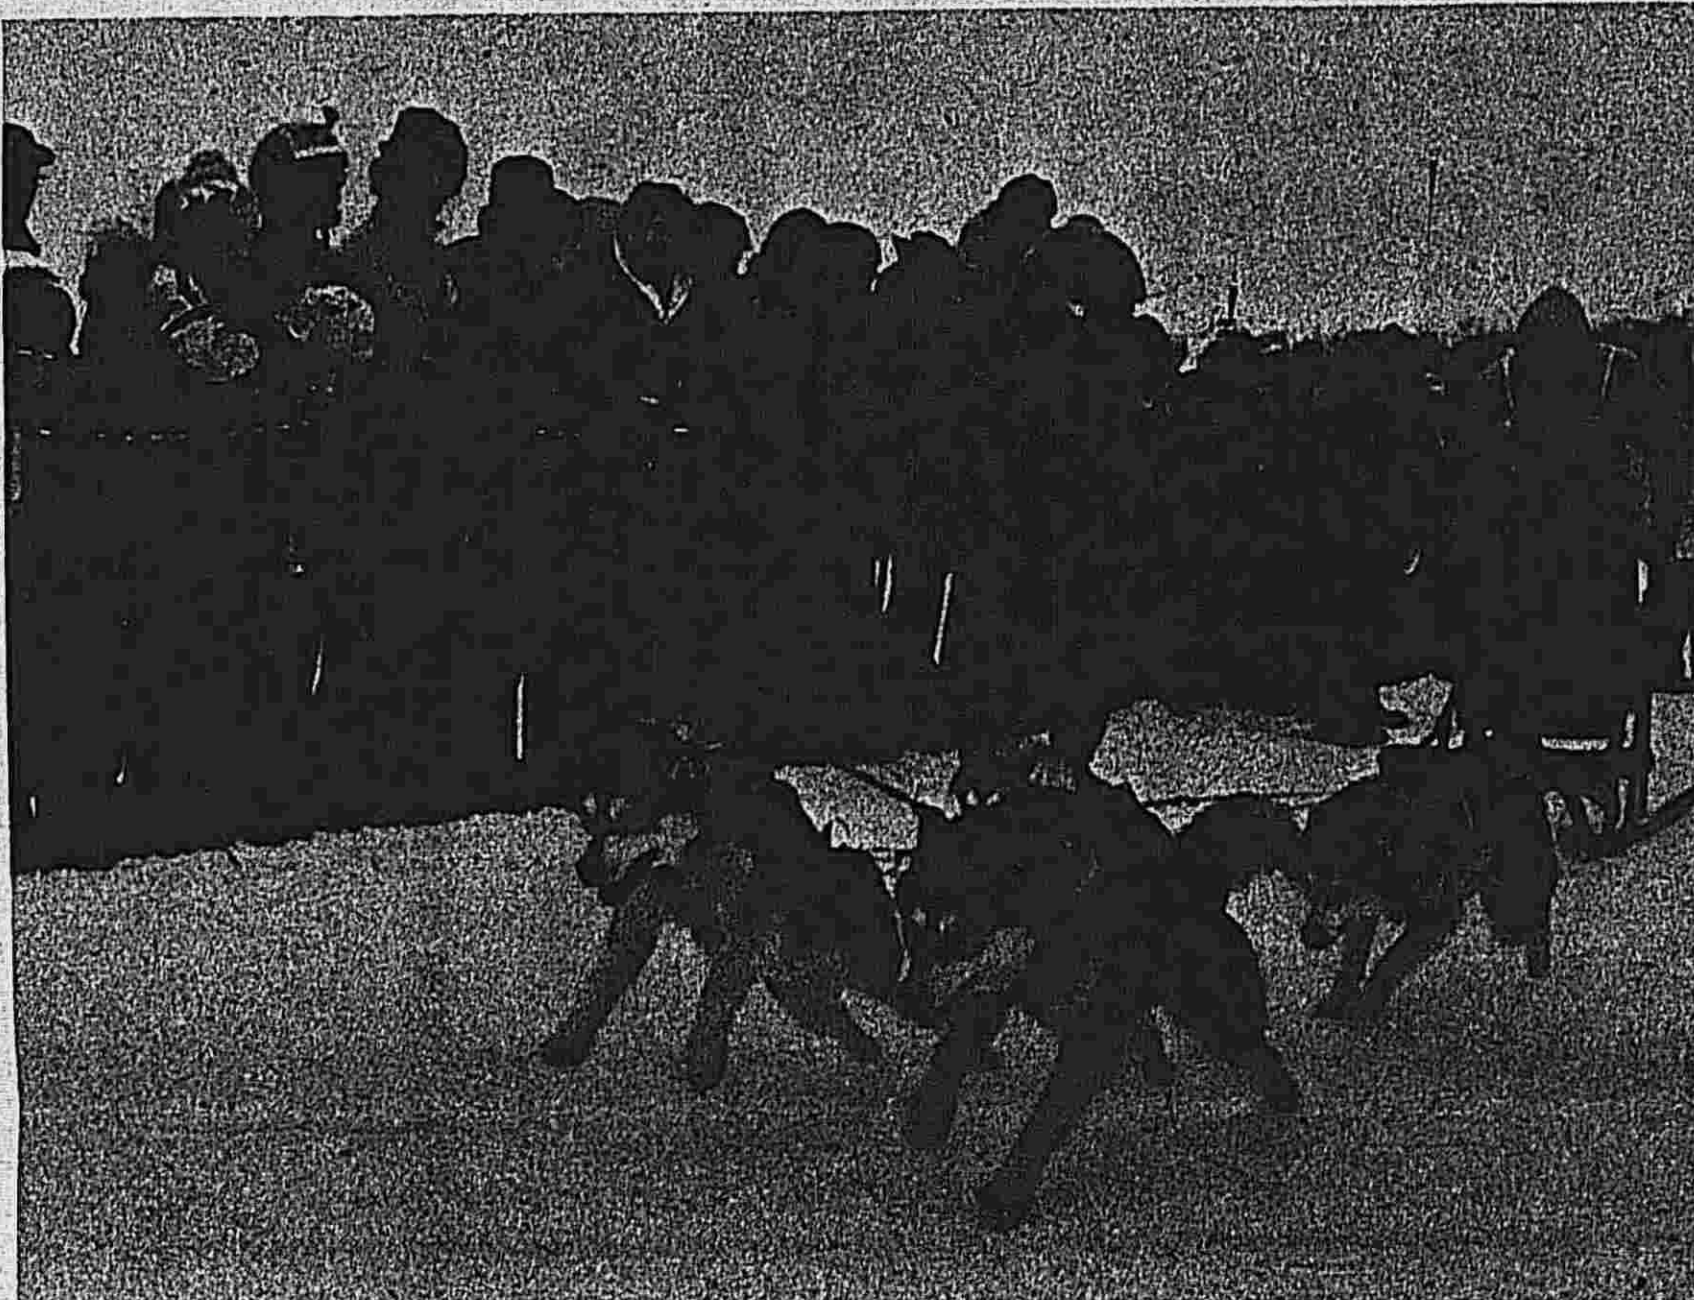

Albano scored 20 points and Kimball 11. Perrone had 13 rebounds. Kevin Walpole played a fine game, chalking up nine assists.

"OUR DEFENSE was much better against Woodstock," Coach Andrews observed. "Scott Kimball starred on defense just as he did in the North Chicago game."

"Walpole was super with hustle and great defense," the coach said. "The team was really alive defensively. Offensively, we need to polish up. We were a little sloppy without passes and shooting, but maybe this was partly due to the letdown from the North Chicago game."

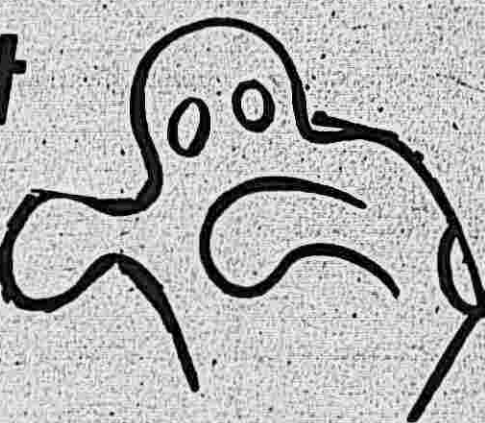

"But the team had the 'go and desire' for the conference record," Andrews added. "No other team has won 26 straight conference games in the 51 years of the league's history. The school and community should be extremely proud of this feat."

The 25-game win streak was set back in 1950 by Barrington, then a member of the league.

"MUSH! -- And off they prance in the sled dog races that were among the features of last weekend's two-day Winter Festival and Ice Fishing Derby at Channel Lake.

## Basketball Contest Is Getting Spooky

The Antioch News basketball contest is getting a little spooky.

The fact that Pat Morgan, 16 year old Antioch High School student, won the \$15 last week isn't the spooky part.

It's that Alice Johnson placed second again.

Mrs. Johnson, of Johnson's Petite Lake Resort, won our football contest on her first two tries last fall. She really didn't know much about the relative

merits of the teams, but took a couple of guesses and won a couple of \$15 first prizes.

Then three weeks ago she won second prize in the basketball contest, — a \$10 savings account at the First National Bank of Antioch. And last week she did it again — winning a \$10 savings account at the State Bank of Antioch.

IN LAST WEEK'S contest, both Pat Morgan and Alice

Johnson picked North Chicago to beat Antioch by three points. North Chicago won by two.

In the tie-breaker, the Saturday night game against Woodstock, Pat picked Antioch by 18 points and Alice by 27. Antioch led by 25 until Coach Roger Andrews began substituting a lot in the last minutes and Woodstock closed the gap to 16 points.

So Pat wins the \$15 first prize.

Entries are pouring in for the contest, increasing each week. Most pick Antioch, of course. But the few who chose North Chicago last week were the lucky ones. Third prize, a \$5 gift certificate at Grass Lake Lumber Co., goes to Bernie Gutowski, who picked North Chicago by 5 and Antioch to beat Woodstock by 17. Harry Steward and Mary Huebner also picked North Chicago by 5, but were farther off than Bernie in the Woodstock prediction.

NOW, LET'S get back to Alice Johnson.

She and her friends have been amazed by her luck in these contests. Last week she said she

## SPORTSCOOP

It's nice to see that last year's Antioch High School stars, Mike Gutowski and Vic McGuire, are throwing in points this year for the College of Lake County's basketball team.

Both Mike and Vic have been scoring in double figures in their first year on the CLC varsity.

We were talking to Vic last Friday night, at the Antioch-Warren game, and he tells us that his high jump career isn't over.

McGuire was an outstanding high school high jumper for Antioch, reaching heights of

about 6 feet 5 inches. Vic, who jumps with that fascinating technique known as "the Fosbury Flop," says he is aiming for 6-7 this year.

A WRITER in Green Bay, Wis., predicts — in jest, of course — that pretty soon they'll be coming up with knee transplants for football players.

PRESIDENT FORD recently invited his old high school football team to the White House, possibly becoming the first person in history whose name was remembered by everybody at a reunion.

## Antioch Wrestlers Win District

### 6 Earn Trips to Rockford

"Fantastic" is the only way Coach Ted DeRousse could describe the performance of his Antioch varsity wrestlers in the finals of last weekend's district tournament.

The Sequoits held a slim half-point lead over Woodstock going into the final session and emerged with a 13½ point lead and the district title.

Antioch had five wrestlers in the finals and three in consolation bouts. Woodstock matched Antioch with five finalists and was very much in the battle for the championship. Antioch's finalists were mostly in the lighter weights and Woodstock had qualified in the heavier classifications.

ROBIN AERNE, at 98 pounds, faced Woodstock's Tim Haak and started the Sequoit

surge with a pin in the third period.

Brian Parpan, at 105 wrestled a consolation match against a Crystal Lake wrestler and scored a 5-0 decision. "His finest match of the season," said the coach.

In the championship matches at 112 and 119 pounds, Antioch faced Crystal Lake's finest wrestlers. Antioch's Scott Shaffer, defending district champion, dominated Scott Knapp 5-0 and then Greg Nordstrom handled Ron Stampler 10-4 to eliminate Crystal Lake from title contention.

AT 128 POUNDS, Antioch's Dave Kisner lost to Grant's

Geof Sandberg and finished second.

Dennis Thain, at 132 pounds, faced Chris Knapp of Crystal Lake and scored a 5-2 win to become Antioch's fourth district titlist.

At 138 pounds, Bill Hogan scored a pin in the consolation bracket to earn a shot at second place. He faced Cary Grove's Bill Mack, who had beaten Hogan in the conference championships a week early.

But this was Antioch's day as Hogan pinned Mack to earn second place in the district.

At 155, Dave Bogaerts of Antioch won two matches and then lost a close decision in the consolation bracket to finish fourth.

Antioch wound up with 73 points to Woodstock's 58½. Six of the Sequoits now advance to this weekend's sectional tournament at Rockford Boylan High School. Sessions are scheduled

at 7 p.m. Friday and at 1 and 7 p.m. Saturday.

The top wrestlers in the sectional will earn berths in the state tournament.

#### GRASS LAKE CAGERS

Grass Lake school scored impressive basketball wins over Newport last week.

The 8th graders rolled up an 89-34 victory while the "B" squad triumphed 39-26.

## Contest

Continued from page 12.

was "just looking out the window," trying to decide how many points Antioch would win by.

Then, suddenly, she got the idea that North Chicago was going to win. And, she says, she had a feeling the score would be a 66-63.

Well, it turned out to be 65-63. "I got weak in the knees," Alice laughs. "It's almost

scaring me. But it's kind of fun, even though it's getting kind of weird, too."

WE'RE ALL waiting to see what Alice's "ESP" tells her about Saturday's game here between Antioch and Grayslake. And Friday's tie-breaker, Antioch's game at Grant.

This week's contest appears elsewhere in today's Antioch News. Why not enter?

You might have ESP, too.
